## *What My Hands Have Touched* STAGE PLOT

A – Coat racks, B - Props tables/boxes, C - Table, D - Chairs, E - Trunk, F - footstool, G - ladder. Circles = helmets. Except when arranged otherwise, LFL will bring all their own stage furniture. This is the approximate placing of the furniture for top of show, but it is moved (except A and B) often throughout the show by the actors. They will need time to spike the furniture during the technical rehearsal.
